

Privacy Statement

This e-Service is made available on this web page in order to offer an online electronic registration for ProSUM Project Final Information Network Event, taking place on 10 November 2017. While registering your personal data will be collected and further processed for the purposes detailed hereafter.

By accepting the privacy statement, the applicant will be considered as having given his /her unambiguous consent to the processing of these data in the context of this event.

The WEEE Forum has taken the responsibility, as Controller, of the processing of personal data. The specific e-Service is under the responsibility of the WEEE Forum aisbl, acting as event coordinator and personal data processor.

The specific e-Service is managed considering:

- Event organised by both the WEEE Forum and an external company - outside the WEEE Forum.
- A report (including a presence list) is shared between participants and wider public.

As this e-Service collects and further processes personal data, according to the Belgian Privacy Directive of 8 December 1992 ([La Loi du 8 décembre 1992](#))

With a view to the provisions of the said Regulation, furthermore, the following should be noted. The information will not be re-used for an incompatible purpose. The WEEE Forum will only disclose information to third parties if that is necessary for the fulfilment of the purpose identified above. The WEEE Forum will not divulge your personal data for direct marketing purposes.

The personal data collected and further processed are:

Data provided in the registration form to the 2017 WEEE Forum Malta conference and photographs and audiovisual footage of groups of participants and organizers could be taken and published in the context of the event and in the framework of the WEEE Forum activities.

The purpose of the processing of personal data for the e-Service is the management of the event, including management of:

Lists for contacts, invitations, participants, reports, distribution of reports, feedback on reports, event follow-up, follow-up events, follow-up actions, information sharing and publication of minutes of events on WEEE Forum websites; your data might be used by the WEEE Forum for information purposes.

The user data are collected through classical Web Forms and stored inside a database (pictures might be taken during the conference events). The access to all personal data as well as all information collected in the context of this event, and the organisation thereof, is only granted through UserId/Password to a defined population of users.

In case you want to verify which personal data is stored on your behalf by the responsible controller, have it modified respectively corrected or deleted, please write an e-mail message to info@weee-forum.org, by explicitly specifying your request. Special attention is drawn to the consequences of a delete request, in which case any trace to be able to contact you will be lost.
